"We are a pilgrim church, a community of believers, the living Body of Christ. Our mission is to make God's presence visible, to proclaim God's presence in our world. We witness that presence by living the Gospel images of Christ as shepherd, teacher, priest, and servant. The seed of faith was sown in our community many years ago. Today, like the yeast that works in bread, that faith continues to enliven us as we share our faith with our neighbors, region, archdiocese, and universal church.

Today's Scriptures affirm that this life is not the end. Through grace we have "eternal comfort and good hope," and when we pass through death into everlasting life we will be "equal to angels." Ministering in charity to the dying reflects our belief that the "God of the living," provides hope and comfort. *To better understand the Catholic perspective on suffering and death, and our practice of ministering to the dying, read a theologically based vision of care from The Catholic Health Association of the U.S. at www.chausa.org/publications/health-progress/article/june-1993/care-of-the-dying-a-catholic-perspective. *If you are experiencing the pain of a loss, pray this week with a photo of your loved one, remembering the special qualities of the person and the joy and happiness shared. Thank God for all these blessings. Tell God of your sadness and sorrow and ask God to enter into the pain you are feeling over this loss.

November is National Adoption Awareness Month. As people of faith, we know that adoption is a loving and beautiful way for a child to be welcomed into a family. We ask God to bless all of those whom adoption is a part of their life story – an adopted child or one waiting for their "forever home," parents placing their child for adoption, adoptive families, couples in waiting, and those who have a loved one touched by adoption. Though there are trials and uncertainties involved in every adoption, our Catholic community needs to celebrate and share the message that adoption is beautiful!

On **Friday, November 22nd** the USD #343 Board of Education will provide a **free Thanksgiving dinner for senior citizens** age 65 or older who reside in the USD #343 school district. The dinner will be served in all schools and also delivered to the homes upon request. Please call 785-597-5138 or 597-5872 before 8:00 am November 18th.

Catholic Campaign for Human Development – Working on the Margins – For many people, a speeding ticket usually means a bit of embarrassment, a fine, or the inconvenience of appearing in court. But for those living in poverty, a speeding ticket can become a life-altering event. With your contributions, our brothers and sisters across the country are breaking out of the cycle of poverty. To learn more about the collection for the Catholic Campaign for Human Development, visit www.usccb.org/cchd/collection.
